Sales Event

Twisted Tango can host a day of sales where we donate **10% of sales** from everyone who mentions your organization at checkout. We ask that people from your organization make some signs and stand by the road to draw attention and drive sales.

School Sales Sheets

Just like Ottis Spunkmeyer fundraisers - We offer a packet of things we can sell for your students to take orders. At the end, students will pick up and deliver the orders. We give the organization **25% of all the sales**. This can also be paid out to individual student accounts (EX: Show Choir Costume Fees)

Wii Bowling Tournament

We can host a Wii bowling tournament (or other Wii game idea) where we order pizzas and have a Wii bowling night. The highest score gets 10% off for a year. **We donate the entry fees, 10% of sales, and 50% of pizza sales.**

Have Another Idea?

Let us know! We are a small, non chain, locally owned business so we can make anything happen that we can.
